There are more questions than you will have time to answer, but select 5 or 6 questions you think will work best for your group discussion. You likely won't have time to discuss all of the questions so choose which questions you will ask ahead of time and make sure to provide plenty of time to focus on the application questions.

Feel free to edit or reword questions to best fit your group.

You may want to share the link to these questions with everyone so they can follow along with the questions as you read them.
